

TOYO SUBMERSIBLE MIXER

THAF

FEATURE

- TOYO submersible mixer mixes the slurry strongly by its jet stream and Cutter Fan (agitator). It has no need of installation, easy moving.
- Direction of mixing is changeable by the attachment. Also THAF is usable as a pump by closing two outlets.
- Mixer and motor is combined. Motor section is submerged and causes no noise.

DISCHARGE BORE	100~125mm
OUTPUT	11~37kw
